Dear Graduating Seniors:

You have changed a great deal since you last stood with me in the Dell at Induction four years ago, just before you began your life as Elizabethtown College first year students. You have learned a great deal about the world, yourself, life, and your talents. Be proud of what you have accomplished, be grateful for all that faculty, staff, parents, and friends have helped you to achieve, and look forward to what lies ahead with confidence.

Most of all, remember that for the rest of your lives you will be a member of the Elizabethtown College community, an ambassador for the College wherever you go, and a representative of a great tradition, Educate for Service.

Best wishes for the future, keep in touch, and remember, Blue Jays Always!
